PROFESSIONAL SUMMARY

A skilled data professional with strong experience in data pipelines and crypto ecosystems, eager to contribute to AI-driven solutions. Passionate about learning, innovation, and intelligent system design. Open to global roles in forward thinking organizations

WORK EXPERIENCE

Big Data Engineer   2023 – Present
SATURAM - Advanced Data Engineering for Cloud & ML Ecosystem
I have strong exposure to managing scalable frontend environments, applying effective problem-solving techniques to ensure performance and stability. My experience includes working with Docker for containerization and Kubernetes for handling Pods, Deployments, Services, ConfigMaps, and autoscaling in production-like setups. I have hands-on exposure to orchestrating workflows using Apache Airflow, focusing on monitoring, dependency handling, and pipeline reliability. I have worked with CI/CD processes using Jenkins and supported cloud operations across Azure and AWS, ensuring secure and efficient environments.

EDUCATION

B.E - CSE   2020 – 2023
GOVERNMENT COLLEGE OF ENGINEERING,SALEM

DIPLOMA IN CSE   2018 – 2020
MUTHAYAMMAL POLYTECHNIC INSTITUTION

10th & 12th   2016 – 2018
RASI MATRIC HR SEC SCHOOL

TECHNICAL SKILLS:

Programming Language
Python

Applications and Tools
- MS Office
- Adobe photoshop & Coreldraw

Web Technologies
- HTML/CSS
- Javascript

Databases
- MySQL
- PostgreSQL
- Snowflake

Emerging Technologies
- Blockchain
- Cryptocurrency

Cloud Platforms
- AWS (Amazon Web Services)
- Microsoft Azure

CERTIFICATES

Drive link 🔗
- Certified for Participation on"BLOCKCHAIN & WEB 3.0" Workshop by EPNS- SDE at MIT, Chennai.
- Certified for Participation on "IOT and Blockchain : Challenges and Application" Workshop in GCE, Salem.
- Certified for remote internship at "JAVA" in Softora.
- Certified for "Basic of Python" courses in Infosys springboard.
- Certified for completion of "C++ and DSA Bootcamp" by devTown.
- Certified for TCS NQT National Level Test with 77.80 percent of score.
- Certified for Completion of "ADOBE PHOTOSHOP AND CORELDRAW DESIGN" at MPTI.
- Certified for completion of "Gernerative AI" course at Simplilearn.
